

Assembly of New Life Mission Church India

I have made you a light for the gentiles, that you may bring salvation to the ends of the earth. Acts 13:47

Newsletter July 2021

Recovered Covid Patients Develop Complications

Medical world is grappling with the post Covid symptoms like Mucormycosis and fungus

As the second wave of Covid-19 in the country continues to slow down, several states have started easing the strict restrictions which were imposed to check the spread of the virus. However, several other states in the southern and eastern parts of the country have extended the lockdown as they are still reporting a high number of positive cases and death.

At the same time post Covid symptoms such as mucormycosis are very high among the COVID recovered patient. People are struggling with weakness; breathing problems and many other unwanted problems in their bodies as well as Tens of thousands of COVID-19 survivors in India are developing deadly 'black fungus' infections

Report says that this mainly occurs due the uses of normal potable water instead of using the 'distilled' water in the oxygen supply machine or ventilator. Many patients has acquired this deadly complication and lost their eyes, voice and had to undergo many surgeries as their brain also developed this fungus.

There is a need of prayer protection wall for the people of India, there is a great need to give Jesus to every families of India. He only can save and bring India out from darkness.

Coverage Planning Meeting for all of India on a Zonal Basis

North Indian workers

Sharing God's heart

Glorifying Him for what he has done

Distribution of Covid relief funds

“Look among the nations! Utterly amazed! Because I am doing something in your days— You would not believe if you were told (Habakkuk 1:5).”

God is going to do great things in India. God will change India to become the light to the world. God will bless India to become the glory of God to bless all the nations of the world. India is becoming the hub for many missions and many missionary movements will emerge through the Spirit Filled Churches and their spread.

Despite the fact that we were dealing with really difficult conditions, we could see that more people were turning to Christ and that more hearts were being awakened to the gospel than ever. Keeping this in mind, we held a zonal meeting and transported our regional coordinators to the state centre, risking our lives in the process, in order to develop a four-month coverage plan to reach out to unreached villages and people groups, plant churches, and train new workers with the help of our active believers.

Lord clearly displayed his intent to let the Gospel Shine through the obedient ministry of ANLMC in the different parts of India. Lord spoke words of encouragement and comforted hurting servants through difficult times of COVID. Lord through messages while the Spirit was moving had anointed his servants for more mighty works in days to come.

We were shown visions and heard messages from the Lord on the first day of our meeting

Word of the Lord came to Ps. Ranjan from Chattisgarh

- ❖ Place your trust in the Jesus at this trying time! Psalm 20:7

As we spent days at the Feet of The Lord, one thing was very clear. As servants of Christ we trust Him for each and every thing that we do.

Even though these are very strange times, which we cannot interpret correctly, one thing is sure, these things shall pass away but the Eternal One shall be with us for each day of these times.

Many who lost their loved ones or someone they knew as a believer in Christ, was comforted by the instruction to put their trust again in the Lord Jesus Christ in stay strong in the darkness of this deadly decease. To stay firm and share the Gospel.

Word of the Lord came to Ps. Pulin Orai (West Bengal)

- ❖ Assembly is the means by which He will accomplish the task that Jesus had begun! (John 4:34).

We are a chosen Assembly of the Holy Ones. We are set Apart! We are here to bring the Heavenly Glory into the earthly realms through the gatherings of believers and worship of the Father together in Faith.

Under the leadership of Apostolic calling we are obeying the Lord and eagerly fulfilling his desire among us. We are saving the lost souls. Releasing the blind from the blindfolds of Devil. Setting the ignorant free from their darkness of Idol worship.

Word of the Lord came to Ps. Pankaj Godgate (Rajasthan)

- ❖ People from different tribes, languages, and nations would be able to connect with one another through the use of an online virtual platform. Furthermore, this would provide an opportunity to make disciples throughout entire nations with no regard to geographical boundaries. (Rev. 11:9)

As the City which is called as the place of Crucifixion of the Lord, the place of Spiritual Sodom and Gomorrah, these two prophets had tormented the whole world.

As we read this incident in the Bible, for many years, this reality had not struck me that *"The Whole world saw them lying in the middle of the road for three and a half days"* it's amazing that the whole world saw them.

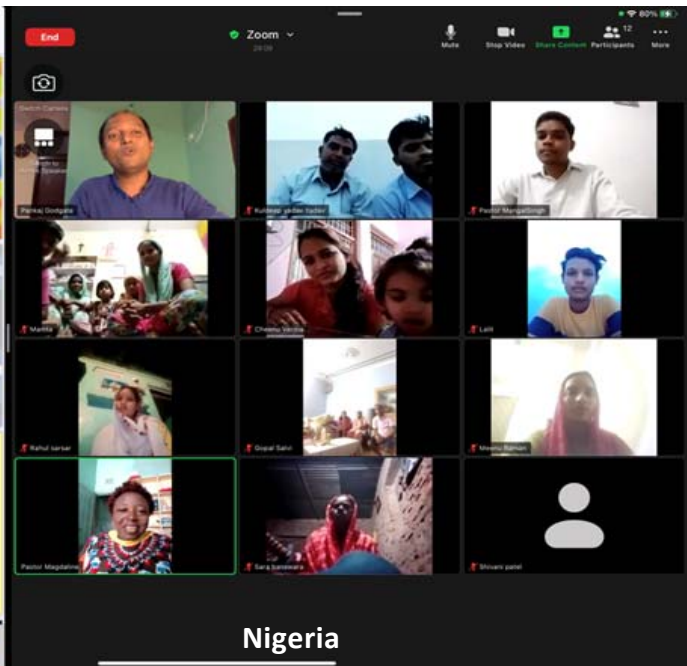

They were celebrating their death. But as we see during COVID times it's the most difficult task to be physically present at a given location, but the online system and communications have made their role in the fulfillment of this prophesy.

The online connectivity will play a huge role in the End times. We could see India and the whole world through the prospective of God and made a 4 months coverage plan starting from our village to produce coverage workers

in 10 neighboring countries. We also evaluate our ministry after lockdown. He was faithful and helped us to pioneer Assembly ministry in Malaysia, Dubai, and Bangladesh we have anointed Ps. Victor Sidhu for Malaysia, Ps. Jai Alamchandani for Dubai and John Biswas for Bangladesh.

Field News -Rajasthan

Great Commission is being carried out

God is also opening the doors of evangelism and church planting ministry in South Sudan, Pakistan, Kenya, Malawi, Nigeria, ShriLanka, Bhutan and Japan, God is helping our workers to teach and train other nations and work together to save the Lost among the lost.

We are contacting people around the world by face book and sharing the gospel and planting churches in person of peace house at the same time we are also training believers and leaders and pastors online.

We are teaching them Jesus coverage strategies and helping them to obey by working very closely with them from finding person of peace in the new villages to produce workers from new believers. This is the answer of our everyday prayer from last 10 years. Please pray for our four months plan by this year we want to produce workers in 10 countries.

Caring Children of Ps. Haja Gameti Who Succumbed to Cancer

Our Rajasthan Assembly Church members are committed to assisting our pastors, leaders, and believers in times of need. Our house church pastor Haja Gameti, who passed away this year due to cancer, left behind five children, for whom we, the RJ ANLMC church, have taken full responsibility to provide them with housing, food, and educational opportunities as well as financial assistance.

The church has taken on the responsibility of caring for these five children. We have rented them a house in the city of Dungurpur RJ (ANLMC Jesus Care Home: Yeshu Hi Sahara) that we have rented for them.

This building also functions as a church, where Pastor Harish, our district coverage coordinator, oversees the district church's activities.

Using the same methods as the first generation church described in the Bible, we are shaping the hearts of our believers.

Field news - Orissa

Sabita Jena is Touched by Jesus

Suffering from TB and mental problems Sabita a native of Dist-Bhadrak, Odisha is leading a normal life

Sabita Jena, right in picture, was suffering from tuberculosis and mental problems. Her husband one day came to know about pastor Gabriel and took his wife to pastor Gabriel's home. He then preached the gospel to them and prayed for Sabita. While praying she fell under the power of the Holy Spirit. Once she came back to senses, they accepted Jesus Christ in their lives as their Saviour. Sabita has improved and in a better condition. Their house is a house church today.

Field news - Madhya Pradesh

Mangeshkar Family Needs Your Prayers

There was a lot of trouble in this family at the time of lockdown. All sources of income were also closed in this family.

Pan Singh Mangeshkar's brother was employed as a auto-rickshaw driver (Indian Tuk-Tuk), but during this lockdown, local transportation was also listed as non-emergency uses and hence government has denied permission for all private ferries. This restriction has been in place for a long-long time.

Pansingh Brother's wife, who worked as a house maid-cum-cook in neighbouring homes, she did not even have work due to lockdown. He has three sons. Brother Pansingh was suffering from cancer.

Then the Church helped the family by providing them with needed groceries.

Let us pray for Mangeshkar family.

At a time when people were having a lot of trouble for food, there are many families who had nothing to eat in their house. that time the people of the church opened their hearts and donated and many church believers also brought some food items like Wheat, rice, oil, pulse to the church. In this way we also helped many families.

Many families received the financial blessings of the lord even in the midst of the COVID affecting their incomes. They supported the mission cause and helped the Gospel reach many cities and states of India.

Healed Cancer Patient Bhanu Prasad is a Devotee of Jesus Now

Ps Manoj from Jabalpur. Glory to the name of The Lord! I came across Bhanu Pratap Singh in my field. He was suffering from cancer. He had to undergo a surgery. The surgery was successful but there were post-surgery complications. Some kind of infection grew at the jawbone where surgery was performed.

Bhanu has a sister by name Rita, she has been a very faithful worker of the Lord and the Church since a long time. She shared my cellphone number with this brother. Bhanu called me at 11 pm, close to midnight.

After having a brief discussion, I had the perfect opportunity to share Gospel to him. I spoke with him about Jesus' saving power and healing touch. His entire family believed in the Lord and accepted the lord. After they accepted and prayed there was a sudden change in his condition. Within 4 days the infection subsided. The swelling near the jawbone reduced which can be seen in the picture 2 very clearly.

In just 4 days, Jesus Christ healed this brother.

In the third picture you can clearly see the current condition of Bhanu Pratap. Now his whole family joins for the online worship.

We give all glory to the Lord.

Gods Work Among Lodhi Community, MP

My Name is Janki Harijan. I am from Chhatarpur (Madhya Pradesh) I went to a village to share the gospel.

Although I shared the gospel to many they were unwilling to believe. Then, when I started travelling to nearby places on my vehicle, I saw a few sitting on the roadside.

I went and shared the gospel to those people. Then I asked them any of have a house nearby. One of the brothers took me to his house. He also invited many of his friends and some of his relatives to his house. I shared the gospel to all those people. All those people listened intently to the gospel.

They all prayed for confession. After the prayer I asked

them if anyone is sick. One of the brothers whose name is Pyare Lal Lodhi, told that he has pain in his stomach. He is suffering from stomach pain since for the last three years.

I prayed for them, and they were healed by Jesus Christ. Marvelled at this, he called me again for prayer. I thank Jesus Christ who keeps me as a living testimony among Lodhi people in Chhatarpur, MP.

Field news - Gujarat

Adding Souls from Dodiya Community, Gujarat

Jai Masih ki. My name is Surmal Damor from Dahod, Gujarat. I am covering East Gujarat. Person of peace name is Vakla Bhen age 46. Every day we are praying for to reach Dodiya UUPGs in our region. One day me and my coworker were evangelizing in one village. One person was observing our activities.

When we were praying for the sick people, people experienced healing in their life. When he saw that he requested us to come his house and he explained us what is happening in his house. His wife was suffering from evil spirit. There is no peace in his life.

He told us, “We went many places, hospitals but we didn’t get peace in our life. We spent more than one lakh rupees for her treatment. But nothing happened to her.” He shared his problems to us.

We shared our testimony and gospel presentation to his family. When we are praying for her at that time, she shouted scolding us to go out from her house.

Although she shouted we are continually praying for her. At that time, she ran to the roof and dancing and shouting over there. We told her husband to bring her down, they brought her down back we prayed for her again at that time she shouted and fell down.

After few minutes she got completely healed became calm. They accepted Jesus Christ as their personal saviour. Later, we gave baptism to this family. We asked them which people group they belong to. They answered they are Dodiya people group.

We praised God and thanked God. From Dodiya UUPG God saved one family. Now they are very happy in their life. Now they are open their houses for prayer. Through this people we are covering more people from this UUPG group. Our God is using us more in our districts.

I praised God and thank God what God has done in our life.

Field news - Delhi

11KV Shock Could Not Kill Yash, It is a Miracle According to Doctor

Praise the Lord!! The name of the child you see in adjoining images is Yash. He is nephew of one of the pastors from Delhi. The pastor’s name is Ps Saurabh. The little boy is just seven years old. On 23th July 2021 he was severely electrocuted.

This happened on the Day of Worship. This family and others returned home after the service was over. They were at the church for the service. Service was held in accordance with the COVID 19 restriction in place by the government.

Only 20 people can gather for the worship. So, after the worship this family reached home. The boy along with his neighborhood friend went on the terrace of his home to hang out. They saw a kite stuck on the electricity poles and live wires. In India, the electricity poles and wires are open and live. They are not running underground as in most of the developed countries.

Both the boys, Yash and his friend Deepak, tried to take out the kite from the electricity pole which is very close to the terrace. He climbed on the pole and tried to touch the kite.

Unfortunately, his hand touched the live wire and he was electrocuted severely. There was a kind of fire from the pole.

The whole roof was filled with smoke. There was a loud noise. The boy fell down from the pole onto

the terrace he had used to climb onto the pole. His mom ran to the terrace. His mom's name is Sarala. She saw Yash lying on the floor and he was having cramps. His body had curled-up together. He was still but breathing. She immediately took him to the hospital. His right hand was completely blackened due to the electric shock. It was completely black. From the finger to the shoulder, it was burned.

The thumb of right hand with which he was trying to get the kite from the pole, was burst as the wire had the 11000 volts of power charge. His leg was also damaged.

The doctor examined the boy and asked whether they worship any God. They said we attend the church and being

Sunday we had just returned from the worship. Doctor replied to Yash's mother, "Your child is alive only because you attend the Church and believe on God. Otherwise, it is highly impossible to survive from such a terrible and powerful electric shocks. Many people have died due to the shocks such as these but it's a huge miracle that your young son is alive.

I have treated two grown up men who suffered the shock in the same vicinity. But they could not survive but your son is blessed and protected by your God that's why he is alive even after such a severe electrocution."

So we want to thank the Lord Jesus that he has protected our son from death. We praise his name. Lord has given him a new life. We give thanks to the Lord.

Also, Yash testified that Lord Jesus took me out from the Post I was stuck at and then he held me in his hands and put me down on the roof, that's why I am alive. All the church gives thanks to the Lord that Yash is alive and getting well.

ANLMC Bible College & Seminary

(5th Batch)

I. Online Classes

Teaching, Presentations & Exams

Due to covid-19 we are conducting classes through online. We don't miss any classes.

Our main priority is attendance. Every student must attend all the classes and study all the 66 books of the Bible. So, they enjoy while they are studying through online classes. And they all love to attend the classes. Because we provide them good atmosphere in the class. They grow as pastors and produce many pastors for India and for the world. And they will also educate their churches and pastors.

We give them every day different kinds of assignments and works. All the students are much excited to finish the assignment and also field work.

1ST DAY - 1:2-5

Vs 2 (Chaos to Order)

- Earth
- Darkness
- Spirit of God

וְאֵלֹהִים הָיְתָה תְהוֹמַת עוֹלָם עַל פְּנֵי הַמַּיִם

Wehā'āreš hayotāh tōhū wā bōhū wehōšeq 'al-penē tōhōm werūah 'ēlōhīm merahēpet 'al-penē hammayim.

- Vs 10-13: Mission of God
- Vs 14: Name of God
- Vs 15-23: Task of God

II. Field

Students used to cover their own places (designated places) and they share gospel. We have classes from Monday to Friday.

From Friday afternoon to until Sunday, they go out and share gospel, plant churches, and raise workers during their college. What they learn in the class, they practice in the field. They give report and share testimonies on weekly basis.

III. Students while studying

IV. Students Field testimony

Greetings to you in the mighty name of Jesus Christ. I am Vijay Kumar from Andhra Pradesh. I want to share my testimony. This took place near my house church. I started a new house church.

House church leader is very excited to know about Christ and he invited many neighbors. One day as usual, after we had finished house church prayer, a lady by name Reethu came at the house church. She asked me to pray for the healing for back pain.

For the past one and half years she was suffering from this pain. Although she visited many hospitals, took various treatments and medicine but pain was not decreasing.

I shared Gospel and I said Jesus can heal you but if you believe in Him. She put her faith on Lord Jesus. I and my house Church leader started praying for her.

We asked her to give thanks to Jesus for healing. We commanded the pain in her body to leave her in the name of Jesus Christ.

Holy spirit God started working in her body as she was praising Jesus. Few minutes later she testified back pain was completely gone. She kept on praising Jesus.

She accepted Jesus as a savior. Through this miracle, her whole family has accepted Jesus Christ as God and savior.

Field News - Pakistan

Living example

The remark "Follow me as I follow Jesus" was said with great confidence by Apostle Paul, who was certain that he was truly following Jesus in whatever he did.

We have heard Ps. Kang Hee Ahn make this statement numerous times, and we have been observing him for the past ten years and have concluded that he is a man of God who desires to save the entire world. He has set an example for us to follow by living his life to the fullest. It was also at this time that he turned

everything over to his disciples, whom he had produced through his life.

In order to finish the task of God, He challenged us to reach the whole world from India to the end. For himself he chose Pakistan to cover as it is one of the most difficult countries. Knowing that there are about 1000 most unreached unengaged people group, He risked his life and entered into lost villages also mobilized, challenged and began equipping local church pastors and leaders in order to save these UUPG's by using the Lord's strategies.

We are very thankful to our Lord Jesus for Ps. Kang Hee Ahn, we Assembly pastors have been very inspired by his life and have resolved to do what he is doing while also promising to God that we will do

much more than he is doing. The Bible states that "whoever believes in me will do the work I have been doing, and they will do even greater things than these" as Jesus stated in John 14:12. We will go to every UUPG in the world, no matter what, and we are willing to lay down our lives to save all the nations.

We follow you, as you follow Jesus

The Rains Overwhelmed Hundreds of Villages, Sweeping Away Houses and Leaving Residents Stranded

Maharashtra, MP, and Gujarat are being hit by the heaviest rains in July in four decades, experts say. Downpours lasting several days have severely affected the lives of hundreds of thousands, while major rivers are in danger of bursting their banks.

Many of our pastors, leaders, and believers' homes have been destroyed by rain, flooding and land sliding, wiped out everything in their homes. In these emergency conditions, food, water, and medicine are all critical and must be provided

as soon as possible to the needy.

We are really grateful to our ANLMC churches for their prompt action in rescuing people from imminent danger and for providing assistance they were able.

Please continue to pray for the restoration of normalcy in life.

Maharashtra, Madhya Pradesh and Gujarat States

Ps. Bhursing, Badwani, MP

Ps. Bhursing's ANLMC Church roof collapsed in Badwani, MP due to heavy rain

Cyclone destroyed believer's house in Gujarat

Plans and projects for the next 4 months include:

- 2399 one-day evangelism training sessions;
- 354, five-day discipleship training sessions.
- 29 one month coverage Trainings.
- The ANLMC Bible College will hold its graduation ceremony on August 19, 2021.
- Preparing to begin the next one-year Bible college class (6th batch)

Prayer requests

As the majority of our ministry now takes place on a virtual web platform (video conferencing), sharing the gospel, leading house churches and Sunday churches, as well as conducting all trainings and seminars, all of these activities take place on a virtual web platform.

As well as we are conducting online Bible college. Remember to keep our pastors in your thoughts and prayers, as tablets are one of their most pressing needs. we ask for your prayers for the provision of 88 tablets to our 40 regional coordinators and 48 B.th students.

- We have scheduled 2399 one-day evangelism training sessions over the next four months; please keep this in your daily pray.
- Pray for 354, five days discipleship training sessions to be held in next 4 months.
- Pray for 29 one month's coverage workers training are scheduled in next 4 months.
- There is a requirement of 2,053,900 evangelism booklets. (for the purpose of personal and family evangelism).
- Printing 7000 copies of "Ten commands of Jesus" (which is developed to disciple new believers as an house church leader).
- Printing 3550 copies of "fifty bible story book" (which is developed to produce house church pastors and local church pastors from new house church leaders).
- Printing 7000 copies of "five days training manual" (which is developed to produce disciple makers).
- Printing 1000 copies of "one month training manual" (which is developed to produce training coordinators).
- Pray for two desktop computers with printers for the administration office for southern and central zones.
- In Rajasthan District Jaipur, please pray for the establishment of a modest video production facility as well as audio production and website development in order to make all assembly trainings and teachings available on the church website.
- Pray for ANLMC Bible college Graduation program on August 19th 2021.
- Pray for Next one year Bible batch (6th batch).
- Pray for the need of 92 mobile phones for our 30 workers and 62 mobile phones for 1 year bible college students.
- Pray for Bible college building.

In Christ Jesus

ANLMC North zone coordinator - Ps. Ravin Wilson
ANLMC Central zone coordinator Ps. Pankaj Godgate
ANLMC South zone coordinator - Ps. Issac Chegudi
